From the Chair

Here we are half way through the season and I would like to commend all players on the way they have conducted themselves both on and off the court. Thanks also to all the parent support we have each week. Thanks to the junior umpires for their commitment on Saturday mornings and for all parents and supporters to continue their positive encouragement of all our new umpires during each game. For any new umpires needing assistance, please don't hesitate to contact the club if extra support is needed.

The AGM will be held in September and I urge all members to consider taking on a position and assist with the running of the club. The club runs very smoothly when all committee positions are filled. Some members will not be seeking re-election this year, so if you would like to assist with the running of the club to contribute to its success, we would love to see you at the AGM. Please do not hesitate to contact any committee member or myself if you have any queries regarding positions on the committee.

Mums, Dads, Coaches—get your pens out. We will be calling for nominations shortly for:
Junior Team of the Year Senior Team of the Year
Club Person of the Year

Good luck to everyone for the remainder of the season.

Sharolyn Hyde, President

**VALE
JACK
MARSH**

It is with deep regret we advise the passing of Jack Marsh, a stalwart of our Club for the last 20 years.

Our Club Person of the Year award is "The Jack Marsh Trophy".

Jack was passionate about netball and made a great contribution to our Club. The first year with our club he coached a junior team to a premiership. He went on to coach many senior teams and taught many of our now senior players the correct shooting technique. He spent a lot of time at the West Leeming courts looking for anyone he could help. Jack did not keep good health the last few years but he was always there with his son-in-law, Jim Bainbridge, doing any odd jobs in the store-room and fixing gates and locks for us.

To Jim, Jayme-Lee, Cameron and Travis we pass on our condolences.

We will miss you Jack.

FUNDRAISING:

A big thank you to everyone for their efforts in selling the chocolates and for all the beautiful cakes brought down for the cake stall. We certainly had a great spread of goodies on the day. Special thanks to Jan Miles, Sharolyn and Keira Hyde and Nicole Lang for their help on the day. All chocolate money is now accounted for and at the time of writing only a few outstanding \$10 cake stall levies are still to come in. Thanks must go to the managers for all their help in collecting and chasing up late monies. No sporting club can survive without fundraising and all money raised goes back into the club for the benefit of our club members, so thanks again everyone for your terrific effort!
