Julie-Anne Morton,
Umpires Coordinator

From the President

We are halfway through the season and on the whole things are going well. I would like to congratulate all players, team officials, spectators and umpires on their behaviour for the first part of the season, we are representing our Club well.

On behalf of the Club, I would like to send a couple of congratulations — firstly to Lyn Lendrum, FNA Administrator. Lyn works constantly and tirelessly behind the scenes to ensure the smooth running of a number of FNA processes. So after more than 25 years Lyn, we hope you will enjoy your retirement.

A remarkable congratulations to Renae Miles from our SA6 team. Renae is the first LNC player to reach 350 games, which she played in front of family and friends on 7 May 2016. This is an amazing feat, not just for a playing career but in doing it for one Club. Renae has also been more than a player, she is the current Vice President of the Club and has served on the Committee for 11 consecutive years. Over many of Renae's seasons she has also been a dedicated coach and umpire and for these reasons and more she was named Club Person of the Year in 2010 and Life Member in 2013. So if you have the opportunity, please congratulate Renae on her amazing career.

Finally I would like to wish all the teams the best of luck as we move through the second half of the season. Remember, if you need us, your Committee is here for you.
