## From the President

Hi Everyone

As we commence the 3<sup>rd</sup> and final round of the 2017 Winter Season, I would like to firstly wish all LNC teams the best of luck in their run home to the end of the season and for many, their preparation for the finals. Secondly, the Committee would like to congratulate the LNC Community on their spirit and behaviour to this point. I would urge everyone to continue with this as we move towards the finals and the extra stress they can bring.

This is also the time I would urge all members of the LNC Community to consider what time and skills they may offer the LNC in 2018. With the AGM on 24th September, it would be advantageous for the Club, if all positions could be filled in 2018. Currently 2 Committee members hold 2 positions each. With all positions filled it brings a greater depth of knowledge, experience and opinions, while reducing the work. Please consider this request and speak to any current Committee member on what it means to be part of the team leading the LNC.

Enjoy the rest of your season.
