

Umpiring

Umpiring for the Club in 2016:

Umpires are an integral part of every game of netball. This year we will be trialling a new system. Instead of "commitments" all required umpires will be rostered and paid by the Club. Please forward expressions of interest regarding paid umpiring as soon as possible.

Umpiring Development:

FNA offer a number of opportunities for umpires to develop and enhance their skills. This includes a "Rules Workshop" and a number of Level 1 courses.

Any questions on umpiring, please email jmo98056@bigpond.net.au or phone 0424 785 766.

PLEASE NOTE: NEW RULES EFFECTIVE 2016 SEASON.

See attached sheet for further information. These rule updates are also available via Netball WA website. FNA will also be conducting workshops outlining rule changes. Some of these are listed below or go to www.fremantlenetball.com.au for further information.

March 2016

From the President

Welcome to the 2016 season and Leeming Netball Club's 27th season. LNC will be fielding 17 teams this season - 11 in the Junior divisions and 6 in the Senior divisions. I would like to take this opportunity to thank the 2016 LNC Committee who have been working very hard during the off season, preparing for this season. During this time the Committee have also been initiating a number of changes for the Club and will continue looking for ways the Club's performance and processes can be enhanced. Recent changes include:

- Development and implementation of a Policy Document.

These policies guide the conduct of LNC and all its members. Although there are existing policies, there has also been an addition of new policies. This can be viewed on the Club website. I would like to congratulate Julie-Ann Morton, Lorraine Panizza, Cherie Hazeldine and Sandra Brown for all their hard work putting this together.

- Senior Umpiring Changes. Feedback was received from

a number of Senior and 2015 players regarding changes to umpiring commitments. The end result was to conduct a trial for 2016 season which will see all games covered by paid umpires through the Club.

A survey will be issued at the end of the season for feedback on all changes. On behalf of the Committee, I wish you an enjoyable and competitive season.

A Special Mention.....

It gives me and the Leeming Netball Club great pleasure in announcing that JAN MILES has been awarded a WA Voluntary Service Award for her long term dedication, 26 years in total, to the Leeming Netball Club. The Leeming Netball Club commenced in 1990, when a group of dedicated and motivated parents recognized that the growing area of Leeming/Bullcreek required a netball club. Jan Miles was one of these dedicated parents. Although she worked tirelessly, amongst many others to get the Club off the ground, she did not join the LNC Committee until 1998 as Uniform Officer. She has now been a Committee Member for 18 years straight. For seven of these she has held the role of President (the longest standing), where she used her knowledge and passion to guide the Club she helped found.

Jan was the first Leeming Netball Club member to achieve Life Membership status in 1999, the same year she received the honour of Club Person of the Year.

It is not just the Leeming Netball Club that Jan has volunteered her time for. She has also been an active member of West Leeming Primary School, Leeming Senior High School and the community for many years. More recently she has become a proactive member of the Fremantle Netball Association where she has held the position on the Committee for 5 years and specifically the position of Competition Coordinator for the last couple.

In the busy lives we now seem to lead, it is simply extraordinary to find a person who has dedicated so much of her personal time to the development of netball and the Leeming community.

Thank you Jan. Your work has been greatly appreciated.
