Celebrating 25 years of netball.

From the President

Well we have come to the end of another season. This season we registered 23 teams with Fremantle Netball Association. Of these 23 teams, 18 were eligible to play finals. We had eight teams play in the semi-finals. From these eight teams, seven went through to the Preliminary Final where two teams went through to the Grand Final.

Congratulations to our 17 & U (8) team and 19 and U (1) team on reaching the Grand Final. Thank you to Heather Stephen and Hetty Truscott for coaching these teams.

Thank you to all those players who filled in for other teams during this season, especially those older junior players filling in for senior teams. For those players who filled in under permits for finals, thank you for supporting your club.

On behalf of the Committee I would like to thank you for your commitment and efforts this season and hope you enjoyed your year with the Club. Thank you to all our wonderful coaches, team managers and parents who are always supporting their daughters. We look forward to seeing you back again next year.

Jan Miles President
