September 2016

From the President

Congratulations to all members of the LNC community on a wonderful season. This season 3 teams made it to the Grand Final, however these have not been the only successes of 2016. Of the 17 registered teams, 13 finished in the top 4 (76.5%), plus of the 12 teams eligible for finals 9 (75%) made it through to the Semi Final, with 7 (58%) going through to the Preliminary Final. What all these statistics highlight is the strength and competitiveness of the Leeming Netball Club.

I would like to commend all players, umpires, parents and coaches on their commitment in honouring the LNC Code of Conduct.

Congratulations must go to all award winners, who will be acknowledged at their respective presentation events.

My final thank you is reserved for all the LNC Committee members. It is a thankless voluntary job that you all do and you all do it with such passion. I appreciate every single effort you put in. This Club's success is a reflection of your hard work.

I would particularly like to acknowledge the 2 retiring Committee Members, Julie-Anne Morton and Cassie Whyte. Both members have made a great contribution to this Club, not just as Committee Members but as players, coaches and umpires and you will be sorely missed.

Best wishes to all Club members for the off season and I look forward to seeing you in 2017.

Piper Marsh President
